- If you suffer from asthma please remember to bring your asthma puffer with you. Our coloured corn starch powder is not harmful in any way, however as with any dust particles it can cause temporary discomfort.

SAFETY FIRST

We have been warned about an unfortunate new trend by SAPS at mass participation events. Participants carrying backpacks have had their bags slit and their valuables stolen during races and concerts. Please be warned. If you have a back pack, please carry this on your chest, especially when waiting in crowded start chutes or in queues.

The Color Run is an Alcohol free / non-smoking event.

Runners please keep to the left; walkers and participants with strollers, etc. keep to the right.

There is a First Aid station located within the Finish Festival.

No glass bottles, containers etc. allowed at the venue (parking lots, pavements, streets, course, etc.)

Weather: Check the weather for the day of the run and prepare accordingly with sunblock, suitable clothing and food / water.

Water: There is a drink zone at (approximately) the half way point on the course. Please make sure you have any additional refreshments for the length of the course as it is forecast to be very hot.

REMINDERS

Please attach your bib number so it is visible on your shirt. This is how you will be identified as a Color Runner.

Teams may run in a group or separately. It is completely up to you!

Come ready to run. There are no lockers or bag drop facilities at the event. Plan to keep any items you bring with you, or leave valuables at home.

We accept: cash, Visa and MasterCard. Our Capitec Credit Card machines carry no finance charges. **Capitec will also have an ATM on site at the Finish Festival for all runners.**

LOST KIDS, PARENTS & PROPERTY

Please report anything or anyone lost to the staff at the The Pink Gazebo located next to the main stage (in the Festival Zone).

RACE DAY TIPS

- **Oil your hair:** this will help the colour wash out (blondes you've been warned). We recommend using leave-in conditioner, coconut oil, Moroccan oil or something similar.
- **Cover up:** if you're not ok with having colour in your hair as a badge of honour for a few days, we encourage you to get creative and wear a hat, wig or shower cap (especially if you're blonde).
- **Cover your seats:** don't forget to bring a couple of bin bags or towels to protect your car seats. Use them when you travel home and save your nice clean car from looking like a unicorn had a party in it.
- **Slip, Slop, Slap:** coat yourself in sunscreen and lip balm with SPF in it. Not only will it protect you from the sun, it will help the colour to slide off when you're done.
- **Shield your eyes:** Sunnies, goggles or similar items will avoid any irritations (you can buy The Color Run sunnies at Race Pack Pick Up or at the merchandise store on race day).
- **Leave your favourites at home:** while the colour will eventually wash out of everything, we suggest leaving your expensive shoes at home (just in case).
- **Cameras:** feel free to bring your own camera/smart phone to capture the memories of the day. We suggest wrapping them in cling wrap or placing in a ziplock bag.

AFTER

- Visit the **Centrum Clean Up Zone** to get excess colour blown off.
- **Dust off:** shake off as much of the dry powder as you can before adding any water.
- **Washing your hair:** anti-dandruff shampoo is best for helping remove any colour patches. If it needs something a little extra, add baking soda to your shampoo to form a paste.
- **Shower:** when you get home, shower as normal and add baking soda to your body wash for stubborn spots.
- **Clothing:** dust off all excess colour, wash items separately in cold water.
